CE 24

Technical drawing showing three views of the SMD 1000 machine: front, side, and rear. Dimensions are provided in millimeters. Callouts A, B, C, D, and E indicate specific components or features.

**Front View Dimensions:**

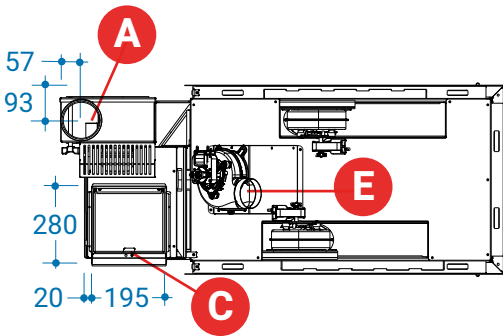

- Overall width: 1178
- Distance from left edge to center of camera: 1112
- Distance from bottom edge to top of main body: 478
- Distance from bottom edge to base: 268
- Distance from left edge to right edge of base: 805
- Distance from left edge to right edge of main body: 847
- Distance from left edge to right edge of top section: 41

**Side View Dimensions:**

- Overall height: 1675
- Distance from top edge to top of main body: 432
- Distance from top edge to top of base: 1395
- Distance from top edge to top of camera: 34
- Distance from top edge to top of base: 34
- Distance from top edge to top of main body: 1425
- Distance from top edge to top of base: 558
- Distance from top edge to top of base: 228
- Distance from top edge to top of base: 418
- Distance from top edge to top of base: 500

**Rear View Dimensions:**

- Overall height: 1675
- Distance from top edge to top of main body: 1363
- Distance from top edge to top of base: 141,5
- Distance from top edge to top of base: 165

**Leggere e seguire le istruzioni del manuale** / Read and follow the instruction manual / Lisez et suivez les instructions dans le manuel / Gebrauchsanleitung lesen und einhalten / Lea y siga el manual de instrucciones / Lees met opmerking met aandacht de handleiding.
